The concept of educational and professional MA programs in Ukrainian higher educational institutions

Olga Zinyuk/Larysa Zahrai
Vasyl Stefanyk Precarpathian National
University

2016/10/25

Educational and professional program for Master's training consists of 3 parts:

- Educational part of the program: natural scientific (fundamental), humanitarian, social and economic, psychological and pedagogical disciplines; research and practical training
- Professional part of the program: compulsory professionally oriented courses
- Optional (selective) part of the program (courses of HEI self-selection and students' choice)

Structure of educational program

Each course of educational program includes:

- Syllabus (approx. 3-5 pages)
- Working syllabus (approx. 12-25 pages)

Syllabus of a course consists of:

- Discipline capacity (in hours and credits)
- List of topics
- List of reference
- Summative assessment

Working syllabus consists of:

- Description of course (number of hours, credits, modules, field of knowledge, field of study (training), education and qualification level (academic level), number of semester).
- Goal and objectives of the course: specifying level of skills and knowledge the student should have
- Program of subject matter (course): modules, list of topics with a short description.
- Course structure: titles of modules and topics, number of hours (lectures, workshops, class)

Work syllabus consists of:

- List of workshop topics and number of hours
- Individual work: title of topic, number of hours
- Individual tasks
- Study methods
- Type of summative assessment

Work syllabus consists of:

- Distribution of points that students will get
- Assessment scale: national and ECTS
- Methodological support (teaching materials): lectures notes, plans of workshops, learning and teaching materials, requirements according to the program.
- List of recommended reference (obligatory and additional)

Thank you for your attention!
