- dissertation
- journalistic works

# Manuals and textbooks

Funded by the  
Erasmus+ Programme  
of the European Union

# Gender Basic Course (2004)

**The manual aims to acquaint the readers with the basics of gender theory.**

It presents, in a comprehensive and orderly way, the key notions, topics and components of gender studies as a cross-disciplinary subject.

The manual discusses both well-established, high-priority areas of gender theory and innovational, less familiar topics that are essential for a better understanding of the status of gender issues in the Ukrainian society.
